

Kidz Ministry @ E-Free

Safety in Kidz Ministry

Who takes care of my children?

We have a volunteer team of people who love kids and long to make an investment in their lives. **Every individual** who works with your children has been through a national background check and appropriate training for where they are serving. In addition to a check in system, we have security in the building for every Kidz Ministry event to add to the safety and security of your children. Your children are precious to us and we thank you for trusting them into our care while you are at E-Free!

If you are needed to attend to your child during the service, your cell phone will be called. Please keep your cell phone with you in cases of emergency.

How do I check my children in for Kidz Ministry @ E-Free?

All kids Newborns through 4th grade must be checked-in at one of the kiosks at the Nursery or at the Kidz Ministry area by the gym. You can check in your whole family at one time. ***Children need to be checked in and out by an adult or teen 16 years or older.***

The electronic system prints a coded nametag for every child in your family as well as a coded parent tag. After checking into Fellowship One and placing name tags on your children, you will drop them off at the age-appropriate location.

How do I check my children out?

When you come to pick up your children, **you must present your parent tag**, or a photo of that tag, which will be matched to your children's tags before they are dismissed into your care.

There are two options from which to choose if someone other than you is picking up your children.

1. You may take a photo of your parent tag and text it to the person picking up your children. They will show that to volunteers in the pick-up line.
2. You may fill out an orange "Alternate Child Pick Up" form located at each check-in kiosk and give it to a check-in volunteer.

Please keep in mind that if you lose your Parent tag, you will have to show proper identification to pick up your child.

Attend with your child:

If you would like to attend a Kidz Ministry @ E-Free event with your child you are welcome to sign the Visitor Log and wear a Visitor tag and join us for the morning. Please be aware you may not assist other children in the program when attending with your child.
