GUIDELINES (PLEASE READ & SIGN)

Our youth ministry at E-Free Church is committed to serve our congregation first, and others as they feel the Lord lead. Throughout the summer months (June-August) they will be available on Tuesdays during the day between 10:00am and Noon or 6pm-8pm to do these service projects. We understand that there are needs that may need to be met outside of these hours, or completed after we leave. Please understand that it is sometimes difficult to bring a good number of students together if we don't have it planned in advance in a schedule. Give us at least one week in advance notice of your project, have a backup plan in case the whole job does not get done while we are there, or for some reason we are not able to bring enough students that day, and have everything ready by the time we arrive. (If we are moving you, please have everything packed, If we are painting or gardening, please have all the supplies needed ready when we arrive, etc) We want to be a help, but we don't want to be a source of frustration if your expectations are different than what we can provide, so this is the main reason for these guidelines.
